

Reconfiguring An Allotment?

Splitting A Block?

Changing A Boundary?

Developing A Subdivision?

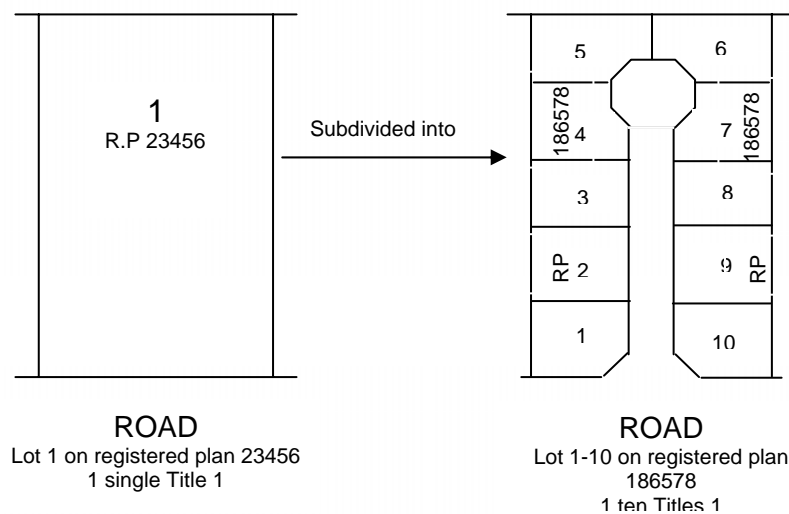

Fig 1 Conceptual Sketches Conventional Subdivision

Are you aware that

- The Council will require you to present a Certificate For Electricity Supply
- The Council requires you to provide electricity to each lot
- The Council may require you to provide underground supply
- ENERGEX requires that each lot has 3 phase supply available
- Some work to the network may be required to satisfy the above requirements

ENERGEX will issue the Certificate for Electricity Supply when all of the above requirements are met.

To confirm that the above requirements are met you will be required to engage an ENERGEX approved electrical consultant (Ph ENERGEX 131253 for a list). Failure to do so will result in delays of your plans being sealed by the Council.
