May 2019

## *Redirection of the Ergon Contractor training webpage*

Ergon Energy and Energex are in the process of aligning both their external training nomination processes to develop a single state wide process.

On Wednesday the 29<sup>th</sup> of May 2019, the Contractor training webpage on the Ergon Website will begin to be redirected to the Esitrain webpage.

This Ergon webpage redirection is being introduced, prior to the release of the new Esitrain website on the 1<sup>st</sup> of July 2019, to align the external training nomination process across the state and implement a list of improvement initiatives that will streamline the external training nomination process.

From the Wednesday the 29<sup>th</sup> of May 2019, All of Ergon Energy external training nominations will be managed through the Esitrain webpage on the Energex website.

Please use this link to the Esitrain Webpage to make any Energex or Ergon training nomination requests - [Link to Esitrain webpage](#)

Please call Esitrain Bookings on 36649407 if you have any problems navigating to the Esitrain webpage or if you have trouble booking onto your required course.

## *Esitrain Website*

The new Esitrain website has been constructed and is currently undergoing extensive user acceptance testing.

The new Esitrain website is on target to be launched on the 1<sup>st</sup> of July 2019.

## *Licence Agreements*

An Esitrain Licence Agreement Letter of Offer (2019/2020) is being sent to all external training providers who are current Licence Agreement holders, have expressed an interest in becoming an Esitrain Licence Agreement holder or were previously listed on the Ergon Recognition Register.

A Letters of Offer, Licence Agreement Policy document and a copy of the Licence Agreement contract will be sent in the first week of June 2019.
